Follow along with the lesson. Fill in the blanks and examples.

Common Error — Watch Out!

✗ $-3x \geq 9 \rightarrow x \geq -3$ (no flip) ✓ $x \leq -3$ (flip the sign when dividing by a negative)

✗ Open circle for $\leq$ or $\geq$ ✓ Closed (filled) circle — $\leq$ and $\geq$ include the boundary

Culture Connection — Minnesota Stories

Culture Connection — Minnesota Stories

Mexican Americans make up the largest Latino community in Minnesota. From the Tortilla Land food truck to the Cinco de Mayo festival in St. Paul, Mexican culture is deeply woven into Minnesota's fabric.

Math Connection:

A Mexican-Minnesota food truck sells at most 300 elote (corn cups) daily. If $4x + 60 \leq 300$ represents the capacity, solve for the maximum x batches.
